SK-II LXP Facial

Highlights Love and attention are lavished on prematurely aging skin in this unique ritual featuring cult products from SK-II's premiere anti-aging LXP line. When applied with the advanced Sonic Lifting applicator, the skin-reviving ingredients of the luxe LXP range are seamlessly absorbed to deeply nourish your skin.

Why We Love It The skillful therapist also performs an utterly soothing massage with gentle lifting strokes, maximising the effects of the LXP products used, while you unwind on the new plush Sensational bed that envelopes you snugly. The end result? Plumper, more youthful skin that also lifts your spirits.

Need To Know Concentrated in Pitera, LXP products enhance skin's vitality and strengthen its moisture barrier, leaving you with a complexion that's crystal clear with lines that have significantly diminished. *LXP Facial is \$250 for 80 minutes.
